THE PAW

OUR MISSION

WOUNDED PAW PROJECT® IS A 501(C)(3) THAT FOCUSES ON THE PREVENTION OF ANIMAL ABUSE AND THE REHABILITATION OF ABUSED AND RESCUED DOGS.

Welcome to The Paw, Wounded Paw Project's® monthly newsletter that keeps you up to date on how you and Wounded Paw Project® are making a difference for abused and rescued dogs. Each month, you'll get tips that you can use for your own pet and since Wounded Paw Project® was founded by a Purple Heart recipient, we'll also provide veterans with information they may not know.

In this issue, you get to meet the newest member to the Wounded Paw Sanctuary, Daisy. Daisy was scheduled to be euthanized but luckily found her way to us! And of course, we've also included a recipe you can make for your pup.

We hope you enjoy this month's newsletter and don't forget to follow us throughout the month on our social media platforms.

Hard to believe this lovable puppy was scheduled to be euthanized....

BUT THANKS TO YOU AND YOUR SUPPORT SHE WAS SAVED AND IS NOW SAFE AT THE WOUNDED PAW PROJECT® SANCTUARY!!!!

Meet Daisy (we've nicknamed her Daisy Dollop to distinguish her from the Wounded Paw Project® founder who is also named Daisy!). Daisy was a rescue that lived with what she thought was her fur-ever family for over 10 years. Recently, Daisy began exhibiting anxiety and was no longer fitting into the family's busy schedule of work and children's school activities. So instead of working through Daisy's anxiety issues (by training or adjusting Daisy's environment to ease her anxiety), the family thought the easiest thing for them to do was to schedule an out of state vet appointment to have her put down. Why out of state? Because Daisy's normal veterinarian would never have agreed to put Daisy down. That's when Wounded Paw Project® got a call from Daisy's owner's elderly father to see if there was anything we could do to rehome Daisy.

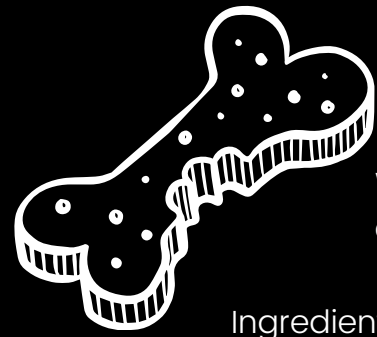

From the minute Daisy arrived at the sanctuary, she fit in immediately. She loves playing with the other doggies on site, running up and down the hills on the property, taking naps, and eating her favorite treats. We have yet to witness any of the behavioral problems Daisy's owner cited as her reasons to euthanize Daisy.

We're so glad Daisy was saved! And it was all because of the Wounded Paw family-YOU!

But here's the sad part, Daisy is only one of many dogs facing death because they've become an inconvenience to their owners. We could use your help finding homes for these doggies that need a second tail in life®. If you are interested in opening your home to one of these

pets, please contact Wounded Paw Project® at 1-844-SAVAPAW or email us at paw911@wpp.dog.

MEET SADIE THE MO'PITTIE...THE MORKIE WHO THINKS SHE'S A PITBULL. EACH MONTH, SADIE WILL GIVE YOU TIPS TO HELP YOU HAVE A SAFE AND HEALTHY PET.

THIS MONTH, SADIE WANTS TO REMIND YOU THAT THE UNITED STATES WILL EXPERIENCE A TOTAL SOLAR ECLIPSE ON MONDAY, APRIL 8, 2024. WHILE PETS DON'T NORMALLY STARE UP AT THE SUN, IT'S IMPORTANT TO MONITOR THE BEHAVIOR OF YOUR PET DURING THE ECLIPSE. PETS MAY GET CONFUSED BECAUSE IT'S DARKER THAN NORMAL OUTSIDE AND BEGIN TO EXHIBIT ANXIETY AND OTHER ODD BEHAVIOR. AS FOR HUMANS, DON'T STARE DIRECTLY AT THE ECLIPSE WITHOUT SPECIAL EYE PROTECTION.
